THE CHILDREN'S HOME

4 Children Placed with Family

Four children have been moved from the children's home and placed into families. Our goal is to have every child grow up in a safe, loving, and supportive home where they will grow up knowing their relatives and maintaining relevant cultural ties. So, we are strengthening families to prevent separation and provide children with the stability they need to thrive. We are working with families to have ownership and take responsibility for these children and provide for them.

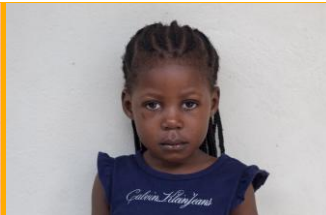

Elliot (5 years), placed with Grace (Father) in Zulu Village, Livingstone.

Best (18 years), placed with Grace (Auntie) in Malony, Livingstone.

Davy (13 years), placed with Dorothy (Grandmother). Living in Siamukoma Village, Livingstone.

Melody (3 years), placed with Grace (grandmother). Living in Ngwenga, Livingstone.

COMMUNITY OUTREACH

Led by the social workers, the ECCT team continues to conduct post-placement visits for counselling (positive parenting), discipleship, and empowerment monitoring. This aims to strengthen families to prevent separation and provide children with the stability they need to thrive. We are working with families to foster ownership and responsibility for these children, and to provide for them.
